THE Echo

It seems only yesterday that our senior class entered into this school as freshmen. Those joyful days have passed swiftly until now, we stand on the brink of a new and bright future which we hope to obtain by honest effort and endeavor.

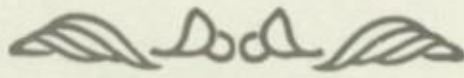

In hope that others may gain a little laughter or happiness from our carefree past, we publish some of our most cherished memories in this book, the 1950 edition of THE ECHO.

DEDICATION

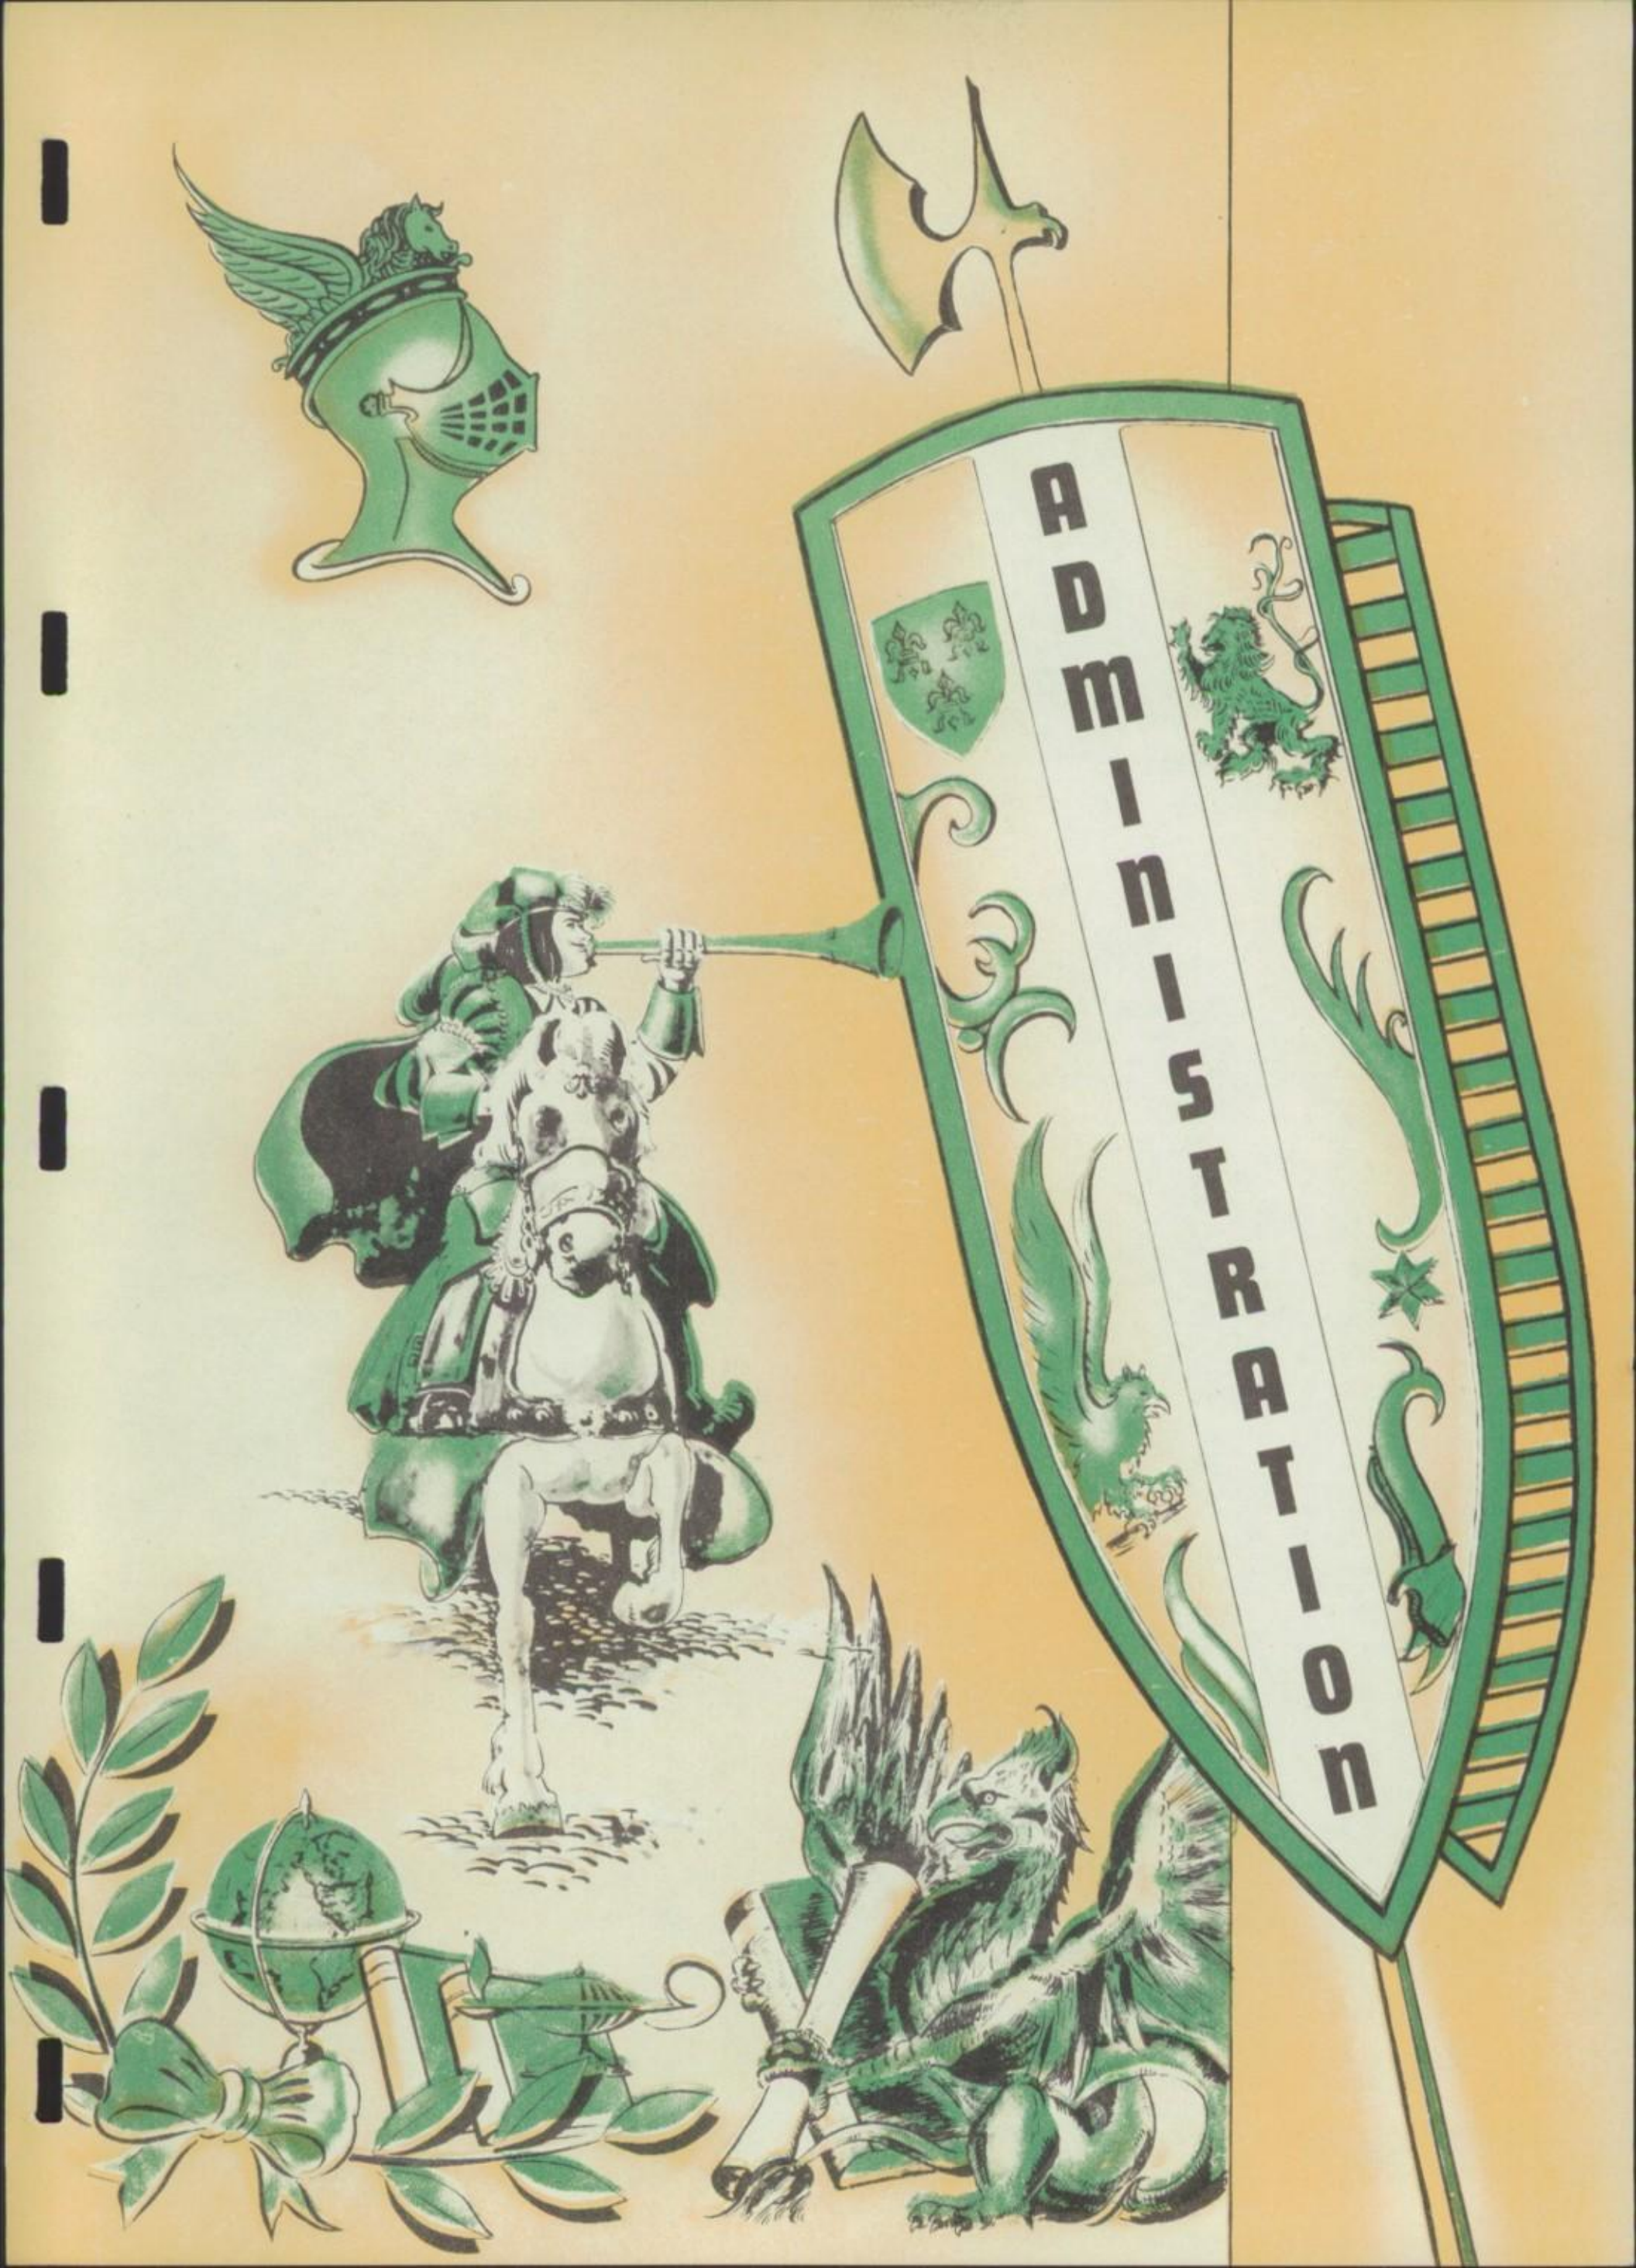

To Miss Fisher we would like to pay the highest tribute. Not only has she been a wonderful teacher, but she's been a real pal and has given a helping hand to all who need it. Yet there is no honor which can truly meet the merit she deserves. She was faithful to P.H.S. for more than a quarter of a century. Because she has given others so much happiness, we are certain that the following years of her retirement will be filled with joy and gladness. We want to thank you for everything, Miss Fisher. You're one person we'll never forget.

LEARN TO SERVE

KNOWLEDGE IS POWER

Classmates, how quickly are the years
Enfolded within Time's unending scroll,
But yesterday, it seems, we came,
Unknown, untried, to prove our worth,
To share the gifts here lavishly bestowed.
Today we go. The daily intercourse
That we have known for years must end,
The struggles and the laughter, the triumphs and defeats
Will be but memories, yes, cherished memories
That we shall often summon in review.
As the moment comes
When members of this school we cease to be,
Both Joy and Sadness mingle in our thoughts---
Joy that our tasks in school are all complete
And wider fields of usefulness await,
Regret that the many pleasant fellowships we've known
Must end on the Commencement Day.
But though the swiftly rolling years shall heap
Great drifts of Time between the now and then,
In Memory's gallery this place we'll keep
And oft, though distant far, shall see again.
Our paths henceforth shall lie, each in its way.
Divergent from the one we've kept together;
Yet shall we reach the common goal of Truth
Enlightened by the torch of common good.

CLASS HISTORY

Senior

We left the 8th grade with many a sigh
 And entered as Freshmen in dear Paulding High
 The big books scared us, the teachers did, too;
 The rooms and the halls we explored through and through!
 The assignments were small, 20 pages at a time,
 We felt just like monkeys. (Where's a tree to climb?)
 We tried to take Latin but it almost took us,
 Traveled to the study hall to raise a great fuss.
 Superior Seniors looked at us with a wise sneer,
 "Good heavens," they said, "those Freshmen are here!"
 As Sophomores we studied a little bit more,
 And you should have seen all the budgets we tore!
 On typing we spent a good two hours per day,
 But poor old Caesar was left to decay!
 Then as Jolly Juniors activities took most of our time,
 The receipts from our Class Play really made our Treasury climb.
 The Junior-Senior Banquet was finer than ever before,
 And it was a real thrill to glide across that dance floor.
 As Seniors we learned to study only our A.P.
 After we passed the course, we all yelled, "Wheel!"
 Twelve long years of struggle, at last we've made the grade,
 And here's hoping we all end up--with more than a pick and a spade.

SUMMARY

The The teen-age problems of Jerry and Albert plus the love worries of Diana and Tom equaled a mixed up family. Scoots, who had a fondness for pets (of any kind) kept the Minton, as well as Eve Tyler, on their toes. Delores the cook really loved the Minton Family as if they were her own flesh and blood, but their crazy antics sometimes upset her "none-too-steady" nerves and she was forever threatening to quit her job. Poor Mr. Minton was a typical hen-pecked husband but in the end, sees the light and rules the family with an iron-hand. Mrs. Minton was almost a dictator as far as her actions toward her family were concerned. Things really changed, however, when Mrs. Minton's mother, Mrs. Thornton, came to visit. For a while, she had things mixed up in fine shape, but eventually everything turned out for the best. Mrs. Simmons, the trained nurse, added a touch of humor to the play as did the Sure-Shot Man. This play had everything from frogs to dogs.

- Sept. 6--Back again. Where did vacation go? More people getting acquainted in the halls.
- Sept. 7--Now we're really in the swim. Our assignments are practically drowning us.
- Sept. 8-9--Whoever said your Senior year is the easiest is nuts!!! What a life!! Sure glad the week-end is coming. We're going to retire for awhile.
- Sept. 12--Finally getting back into the harness. You'll just have to excuse the rest of this month. What with all our class elections and

such, this month is a jumbled mess. The band practices like mad for the games. Put on some pretty cute shows, too. Our football boys got off to a bad start losing three games in succession to Oak Harbor, Bryan, and Rockford by the respective scores of 38-7, 47-0, and 37-7. Maybe next month will bring better luck. Lots of new rules around school and you know what? A. P. isn't so bad after all.

- Oct. 6--Three cheers!!! The Seniors ordered their class rings. So did the "Lucky Juniors".
- Oct. 7--All is woe again. Our boys got beat by Hicksville. Still think Dave got gyped out of that T.D. Score: 33-7.
- Oct. 10--Gosh, how time flies. Seniors got pictures taken over the week-end. Did we say something about a broken camera?
- Oct. 11--Raining catsup and hot dogs. Not much excitement around here. Calvin learns to be a gentleman.
- Oct. 12--Columbus Day. Our present from Mr. B.-----a six weeks test in A. P. Yiiii!!!!!!
- Oct. 13--Senior proofs begin to arrive. We didn't know we were so beautiful. Ha!! Had a driver's safety test. Everyone so nervous, school let out an hour early.
- Oct. 14--Barbara Comadoll elected Homecoming Queen. Our boys played a beautiful game at Coldwater which ended in a 6-6 tie.
- Oct. 17--Everyone at school very quiet. Effects of yelling at Coldwater game. It was worth it, wasn't it, kids?
- Oct. 18--Mr. B.'s birthday. A. P. class raised voices in happy birthday to him. No wonder he can't hear a thing now!
- Oct. 19--Isabel and her slumber parties. Everyone walking in their sleep. Received first grade cards. "Funeral March" is our new theme song. New Hi-Y's initiated.
- Oct. 20--Big explosion in Chemistry. CALVIN again! Y-Teens send candy overseas. Yum!!!
- Oct. 21--Busy day. Pep session put on by Hi-Y. Pretty, new cheerleaders: Bashore, Harris, and Capetello are glamorous. X-Rays for T.B. taken. Coronation takes place in the gym. Best part of day is football score. Paulding-27 and Payne-0. Yea!!!!
- Oct. 24--Everything very dull and quiet. Even the halls are noiseless. "Silence is golden!"
- Oct. 26--Induction ceremonies. Band practice. More frozen noses and toes.
- Oct. 27--Pep meeting. Carey beat us 20-7, but it was a good game. No school tomorrow. Whoopee!!!!!!!!!! Another slumber party. Yawn!
- Oct. 31--News! News! Band wins two first prizes for marching on Saturday. Teachers' meeting on Friday. Everyone sure hated to come back to school.

Nov. 1-2--Sure tell November is here. It's getting really cold. All the kids beginning to get out their??? woolies.

Nov. 3--No A.P. Mr. B. working on school tax levy. Everyone in an uproar. Hurrah!!

Nov. 4--School noise pitched to a dull roar. Kids zooming up and down the halls. Game tonight with St. Rose. No A.P. Lost game 27-19, but boys played splendidly. Cheerleaders all played hookey, and there was no one to lead the cheers. Dance in beanery after the game. Lots of fun.

Nov. 7--Chemistry sure is fun with "Doc" popping his shirt buttons. Allshouse is new A.P. teacher. Senior poll taken. Got all the class pictures. Gads and horrors!!!!

Nov. 8--Concert band started and pep band for basketball games elected.

Nov. 9--Classes shortened. Dr. Chauvre, U.N. representative to speak here. Speech was wonderful.

Nov. 10--All yawns again. Had another birthday party. Just ask D. Stoller if you want to know the details.

Nov. 11--The day seemed so lo-o-o-ong. Freshmen held a party in the gym. Good music and lots to eat.

Nov. 14--A.P. test over U.N. Show in gym at noon. Oh, that 8th period library!

Nov. 15--No boys in halls. Why??????? Hunting season, of course.

Nov. 28--Senior rings arrive and are they beauts! Sophomores gave party Fri., 25th. Very nice, too. Everyone moaning and groaning. We told you not to eat so much.

Nov. 29--Let's forget this day ever happened. Continental beat us by a score of 42-23. Oh, woe is us!

Nov. 30--Farewell, November. Everyone in English IV crying. Mrs. Gallagher played the song "Pomp and Circumstance". Y-Teens hold district meeting in gym. More troubles. Grade cards again.

Dec. 1--Only 24 shopping days till Xmas. Everyone beginning to act like angels.(???????)

Dec. 2--Yowee!! Of All the doggone luck. Hicksville beat us 54-39. Boo-hoo!

Dec. 5--Rosemary gives us a scare. These late hours, huh?

Dec. 6--Delores falls off her chair in Chemistry. Dick, you should be ashamed! Another tale of woe. Van Wert beats us 40-45.

Dec. 7--Don't pinch yourself. It's true! Lions and everything in the gym. What is it? A circus, of course.

Junior Class History

In September 1947, fifty-four students became "green" Freshman in Paulding High School. We were welcomed by an initiation which was given to us by the Sophomores. The officers for the year were: Pete Wythe, President; Charles Weaver, Vice-Pres.; Dorothy Todd, Secretary; Janet Burtch, Treasurer; James Stahl, and Roseann Reeb, Student Council. Our class adviser was Mr. Lutz.

The following year, 1948, we reported back to school feeling very important as Sophomores. The officers elected were: Charles Weaver, President; Warren Stoller, Vice Pres.; Dorothy Todd, Secretary; Pat Kersker, Treasurer; Janet Burtch and Richard Gunderman, Student Council. Mr. Walter was our adviser.

This school year we came back to the responsibility of making money to give the Seniors a memorable Junior-Senior Banquet-Prom. Our Junior Class Play "Are You Mr. Butterworth?" was scheduled for February 16, but because of high water, it was postponed until March 3. This is the first time a class play has been postponed in the memory of most people associated with the school. However, when the play was finally presented, it was better for the delay.

SUMMARY

"Are You Mr. Butterworth?" begins with a question mark and keeps everybody guessing continuously to the end. Mr. Butterworth has purchased the hotel and is coming to claim it, but no one knows where or who he is. While the telegrams keep arriving for him, Mr. Bashinsky, a jewelry salesman, enters, and his sample case of jewels mysteriously disappears. Everyone on the hotel staff begins trying to find the jewels, when a five hundred dollar reward is offered. After nearly every one has been accused by someone else, the jewels are found in the laundry room by Mr. Butterworth who eventually arrives. There is romance between Virginia and "Mack" which is complicated by Sylvia DeLaney, and between Dan and Helen, who is discovered to be Mr. Butterworth's daughter.

Class History

On Sept. 7, 1948, a group of students, consisting of a number of sixty-one, entered P.H.S. Soon, it was realized by everyone that this group of bewildered people was the Freshman class of '52.

We became accustomed to the routine of high school life after we had wandered around like lost sheep for a few days. As the days rapidly passed, we worried about two things in general. One of them was the initiation and the other was some way in which we could earn money for our class.

Well, Mr. Buchanan helped solve the first, by announcing that there would be no initiation, and we solved the other by checking coats at basketball games and paying class dues each semester.

In our Sophomore year, we sponsored a skating party, dance and paid class dues each semester. We elected the following officers: Pres. Bob Helle; Vice Pres. Morris Brune; Sec. Margie Funkhouser; Treas. Hal Schall; Student Council, Mickey Boundy and Marilyn Minck; and Mr. Hadley as advisor.

Our class, as a whole, endeavors to make Paulding High School as good a school as possible.

Freshman Class History

When we entered high school last September, no one knew just what to expect.

We soon learned that our home room was the Study Hall and that our home room teachers were Mr. Barton and Mr. Walters.

The results of our class elections were as follows; John Buchanan, president; Tom DeLaet, vice president; Charles Clark, secretary; Shirley Knisley, treasurer; Shirley Gorrell and, James Philpot, Student Council; and Miss Feters, advisor.

We raised money by having class dues, and we also had an informal dance.
